BFEC Topical Sermon Series

Synopsis: Christians today navigate a complex terrain of issues concerning identity, gender, marriage and sex. Traditional notions about such matters have been challenged or redefined, resulting in confusion and conflict in society, including in churches. Yet our good and loving Creator God knows what's best for us, and in this sermon series we seek to (re)discover his good design for our lives and the way to true human flourishing.

Children's Dedication on Sun 7 May, 10am Service
The dedication of each child, by one or both parents, is done during a church service, in the presence of God, and affirmed by the congregation. Parents dedicating their child to our Lord not only seek God's blessings and guidance in the upbringing of their child but also the loving accountability and fellowship of church members. **Closing Date: 23 Apr**

BFEC Sermon Series: James
7 May – 25 June & 13 August – 3 September 2023
faithactually

Synopsis: For Christians, what does it mean to have authentic faith and not be just talk only? That is, what's real Christianity in practice - "Religion that God our Father accepts as pure and faultless" (James 1:27)? In real life, how do we live out our faith, actually? In a world where we're constantly tempted towards compromise, half-heartedness and double-mindedness in following Christ, how shall we live with uncompromising, whole-hearted and single-minded commitment to him instead? In this new sermon series on the letter of James, may we hear and obey God's word for us on such vital matters and more.
